# BOAT SALES

LAKELAND LEISURE ESTATES

## Description

Introducing the Atlantic Marine Cruiser 730, a stunning vessel designed for the ultimate boating experience. With an overall length of 7.7 meters and a beam of 2.50 meters, this boat offers ample space and comfort for all your water adventures.

Constructed with a durable GRP hull, the Atlantic Marine Cruiser 730 boasts a dry displacement of 1825 kilograms, ensuring stability and a smooth ride. Its sleek design is complemented by a stylish dark blue hull stripe, adding a touch of elegance.

Powered by a new Mercury 350HP engine with assisted steering, this boat delivers impressive performance and maneuverability. With zero engine hours, you can be confident in the reliability and longevity of this powerful outboard motor. Running on petrol, it provides the fuel efficiency necessary for long excursions.

Step on board and discover the well-designed interior of the Atlantic Marine Cruiser 730. The spacious cabin features two comfortable berths, ensuring a good night's sleep during overnight trips. The cozy corner storage accommodates a fridge, allowing you to keep your food and beverages fresh throughout your journey.

Functionality is key on the Atlantic Marine Cruiser 730. The boat is equipped with a comprehensive electrical installation, including a fuel gauge to monitor your consumption. The hydraulic steering system, designed for up to 300HP, ensures effortless control and precise handling.

Entertainment and comfort are well-catered for. The installation for radio and speakers lets you enjoy your favorite tunes while cruising. Relax on the stern platforms crafted from luxurious teak, and use the foldable table with a laminate top for al fresco dining. A water system with a shower on the stern ensures you can rinse off after a refreshing swim.
